

If someone would have told me when I got engaged I would have to plan my wedding in less than 45 days I would have laughed . . . then cried. Well it happened. Scott, my fiancé, being the honorable military gentleman he is proudly accepted the request to return to duty and we had to quickly move up our Wedding date. I was so surprised at how calm and reassuring the Tower Room Wedding Planner was when I announced we needed to plan a Wedding in 45 days not 11 months. The Wedding Planner at Tower Room was truly a Tower of strength and made what could have been a very stressful time actually relaxing and fun. Scott and I will never forget the care and attention and kindness we received and shall be forever grateful.

Dreams do come true. I married the love of my life and our Wedding Day was so magnificent I had to keep reminding myself to breathe. Our Tower Room Wedding Planner was unbelievable. Her idea of timing the guest's arrival before dusk was divine. Everyone was able to see the gorgeous view in daylight, enjoy the spectacular sunset and then

I wanted a sophisticated, classy, elegant wedding. I got it at The Tower Room. I talked to everyone in Memphis, or I feel like I did. The Tower Room had it all - ambiance, beauty, culinary delights and experienced Wedding Coordinators. I wanted it done right the first time, because there will NOT be a second. It was PERFECT. The Tower Room is Right On.

Our guests are still talking about it. The food was awesome, or at least everyone says it was. I was so busy hugging and kissing, I barely had a nibble. The Tower Room Wedding Planner and Staff with out a doubt made Dreams come true. Thank You ~ Thank You ~ Thank You!
